C/O Hawkins and other C/O's came to C-219 and told me and my celly (Paul Azore #12191-059) to cuff up which we complied without hesitation. As I am getting cuffed by C/O Hawkins he calls me a bitch ass child molester and says I am pussy and ain't gonna do shift. As Azore and myself are walking down range-C which can be seen on C-range camera C/O Hawkins is huffing me and is still insulting me with words and saying I failed to register as a S/O in front of inmates. Then we got off the range there is a railing which I was shoved against and nearly pushed over and told the same insults from before and threaten by C/O Hawkins saying he gonna "fuck me up" for the reason after that I get dragged down the steps. C/O Hawkins then shoved me into the rec door multiple times saying I am a bitch. C/O Prince tightens the cuffs cutting the blood off to my hands. I am put on the wall of the rec yard by several C/O's and L.T. Arias then dragged out of rec yard and almost breaking my left thumb in the process of putting me in holding tank. I told another L.T. about this and they joked on matter saying I ain't 10 year old like you like him. I was kept in a holding tank with cuffs tighten for a hour and half. My wrists are bruised and my face hurt from being shoved into the wall and I have pain in my neck, back and left thumb. C/O Hawkins continued to insult me in front of the L.T.'s and psychologist and he said nothing. This matter needs to be dealt with from higher up's. This is all on the cameras in S.H.U. I was harassed and assaulted by guards who should protect us.

# Appeal BP-10

03/18/20

I recieved a rejection letter which States that my BP-229(13) isn't sensitive. I think it is for multiple reasons. As well upon receiving this letter the Administrative Remedy Coordinator in Petersburg MED FCI are not properly giving me my BP-229(13) with the rejection letter so I can write an appeal. When getting a rejection letter it should be with your BP-229(13) back so you can file an appeal. The reason why I think this is sensitive is because the correction officers shouldn't have the right to know what you write about. Also since these correction officers already know I have written them up they have been retaliating against me. My family hasn't been getting my mail. They come to my cell even more now. Saying I'm scratching on them and still saying I am a sex offender. Telling others inmates about me and my charge. Calling me a bitch and insisting me to argue with them or try provoke me to fight with them. This is why it should be sensitive because these correction officers can lose there jobs behind it and I can be hurt or dead behind writing them up. So claiming it's assault by staff so how <sup>Not</sup> that sensitive. I see they don't want this to go no where by sending my BP-229(13) with rejection letter. Also I receive my rejection letter late. You see I have kept copies of everything I have written for this reason. I knew to take the right steps because I knew there will be a compromise in the system. There's alot illegal stuff that correction officers do that they get away with. I could only speak for myself. So I ask please make sure this gets taken care of and get accepted for my safety and for future inmates.

It's been over a month and my transfer hasn't still been sent to Grand Prairie. At first they told me that my transfer was in already. I found out on the Status Sheet that it hasn't even been put in still. They keep telling me that there working on it every week. It shouldn't take over a month to put in the paperwork. I know because I've asked every unit manager/case manager that passes by and explained the issue. Even spoke to two A.W.'s about it. I wrote two bp-8's. I haven't recieved no answers and still haven't been resolved. I am figuring Grand Prairie will deny me do to me being a short time here and my M&TV is for lesser Sec and hasn't been taken. I been in the S.H.U. little less then 3 months now. I just want my paperwork to be in already even if I get denied so they can keep re-submitting it. I feel like there trying make my time drag out in the S.H.U.. I am suffering in the S.H.U. with no d/s time and can't get shipped to my spot. ## WITNESS STATEMENT

I Johnny Colton witness Transport Board 91120-053 on March 1<sup>st</sup> Finish His OK. And I was setting Here 3 days later when Trunk Floor asked @ Mr. Commons and Mr. Bryant when his paper work would be put in the Boat stated that it would only take a couple of weeks so he gave them two weeks. When asked again they said it is just a matter of time. He asked me about his situation. I told him nothing so the next time they came he asked me if they said I was the person who was since then every time I saw him he has asked they just need the money. It's being worked on and that's all. I don't know in my opinion. What now I don't know. It's better to get the paper work done and have the boat. So he can be safe. I told him that at the last <sup>message</sup> the site is so complicated. ~~the~~ The unit manager and case manager should get the paper work done so that can run smoothly.

This is my statement

On or about 04/16/2020 at approximately 8:00PM to 1:00AM in Special housing unit. Go Adams escorted me off C-range to Small holding tank. Go Adams started harassing me by saying about my charge telling me I am a fucking child molester. Then saying I am the most dangerous sex offender he's seen trying to be funny. That I am either here because I touch young boys or girls also asked me which I like the most laughing about it and yelling it in the SHU. This is done in front of Lt. Faison, Lt. Anderson, Go Byrd, Go Bailey, Go Johnson, Go Ponten, Go Young, Go Dorf and Go Bryant. The only one who found it funny were Go Byrd, Go Bailey, Go Adams, Go Ponten, Lt. Faison and Lt. Anderson. The Lt's did not stop Go Adams from harassing me. He asked that I don't comply and get sprayed with M-9 by Lt. Faison. I get dragged out of holding tank. The nurse cleans my eyes. I was doing me to the hold cell to get on A-range. The cuffs were on so tight that they were cutting into my wrists and caused my arms and wrists bad. My clothes were cut off of me. When I was very compliant to change out of my prison now after getting maced. Go left cuffs on me. After and the cuffs and left still the marks in my face. I asked for my asthma pump and they gave me one. I ask Lt. Faison to stop harassing me. He says I don't need them. Go's left the cuffs tight. Even in shower. After I asked Lt. Faison to stop harassing me. I break a window. Now there glass all over. Lt. Faison comes back and says because I broke the window. Lt. Faison opens God's door and says stand and come to door. I say I need 5000 to walk on the floor. Lt. Faison ask me if I was going comply. I told him yes I will. I need 5000 to walk on the floor. So I want get glass in my feet. Lt. Faison instead of me slipping he sprays me with M-9 in the face because I would stand in glass. (continues on Attachment)

% Adams begins to choke me with both hands to the front of my neck. Restricting my breathing almost causing me to pass out. Out of fear of my life I slipped the cuff from my left hand in order to protect myself as well as I pushed % Adams ~~away~~ hands away from my neck. At this time % dorch moved from the cell door to the bunk to help secure me. At this time I hear "body alarm, body alarm B-range and about 10 %'s come to my cell. I was then slammed to the floor with one hand cuffed and multiple %'s begin to kick, punch and pile on top of me. % Duncan who was in full riot gear was directly laying on top of me and he had me in a full choke hold (forearm and bicep around my neck). I felt he was using way to much force, I felt he was trying to pop my head off. With the amount of %'s abusing me, laying on top of me, and being choked to a point where I could not breath or even yell for help, I did the only thing I could do which was lay there. I was then cuffed hands and legs and I was picked up then pushed from my cell 130 to Cell 143 door where I was slammed into face first as B-range camera will show. I was cuffed so I could not protect myself. I was then grab by both arms in a aggressive manner. I was pulled down the hallway my jumpsuit was around my ankles so I was not able to walk. Some %'s were trying to pull them off my ankles even though my legs were still cuffed. At the same time I was being pulled down the hall by others. I was being yell at "to walk, walk, come on walk, But I said I Can't my jumpsuit is coming off." Then %'s step on my jumpsuit causing me to trip and fall on my knees, chest, and face. If the %'s had a hold of me while being dragged down the hallway then why did they let me fall. As I was on the floor % duncan fell on top of me. I was then quickly pick up and dragged hands and legs still cuffed, jumpsuit around my legs down the remainder of the hall. When I reach Sallyport some %'s were pulling me to the holding cell while others were pulling me to A-range. They finally decide to put me in the A-range Shower next to cell 124. I was thrown on the floor of the shower then picked back up. I was then slammed into the dirty shower wall with force by multiple %'s. Who held me there for about 10 minutes. The whole time I was in the shower no one bothered to fix my jumpsuit or adjust the cuffs or shackles. I was then drug back to Sallyport/elevator area. At that time I noticed there was a camera on the wall. I was placed in a regular plastic chair and

I notice %o Bryant and %o dorch coming into my view from the direction of the S.H.U. LT. Office. They both seem to be sharing one Camcorder in duty of working it. I was then pick up out of the chair by multiple %o's who then lay me on the floor on my back. These %o's that held me on the floor and were dripping sweat into my face and multiple cuts and bruises I had. I kept telling them about the pain I was having in my wrists and legs only to be told "shut the fuck up deal with it". I was also telling the %o's that they were hurting me because they kept cutting and uncuffing using multiple cuffs and leg shackles putting them on and off as hard as they could. This cutting and uncuffing was very painful and caused me to have multiple bruises on my wrists, stomach, waist, ankles, knees, and back. Some time during the %o's cutting and uncuffing my wrists I felt a sharp pain from my wrist being bent by %o Duncan. This caused my right thumb to go numb. During the multiple times of the %o's cutting and uncuffing my clothing was cut off everything except my boxers. I felt embarrassed and I felt that this was wrong. My rights were again violated by being degraded in a open area. When they were cutting my clothing off my body I felt scared because I knew staff were acting in a aggressive manner. I had just been choked what was stopping them from cutting me I felt nothing. %o's then put a paper suit on me and resecured the cuffs and shackles. I was then forcefully walked to hard cell 124 A-range where I was order to lay on my back on a concrete slab. I was brought a mattress that was dragged to the cell from down A-range. It was not cleaned in my view at any point from staff dragging it into the cell to me being order to lay on it. At this time six (6) %o's and one Lt (Daneels) came to bunk area where I was laying and began using two blue and two green leather <sup>1986</sup> straps around my wrist and ankles which were then secure to four iron rods which were made into the concrete bunk. I was secure so tightly that my wrists and legs became bruised and swollen. I was left in the straps secured to the iron rods for about 4 to 5 hours. I kept telling anyone who could hear me "I need to use the bathroom and I need to see my medical for my injuries. Sometime during the 4 to 5 hours medical staff Mr. fish came into the cell and looked at my body which was still strapped to the bunk. He barely touch my wrists or ankles to see if I was hurt or injured he could not even see it because their

Were Covered by the Straps. At 5:10 PM I was released from the Bunk by Lt. Faizon and C/O Coleman he then puts on leg shackles on my ankles and puts a waist chain very tightly. This left scars and bruises on my waist. He secured my hands using cuffs and a black transport box to the waist chain. This was all very tight. I ask Lt. Faizon about my paperwork in my old cell he said very quietly "I don't give a fuck about your paperwork go fuck yourself." Finally I was allowed to use the bathroom. Due to me not being able to move my hands I felt I was not safe. I could have hurt myself. At 7:10 PM Lt. Sweeting and C/O Coleman come into the cell and release me from the leg shackles. Lt. Sweeting asked what was going on I told him everything that was going on and he said it isn't right. I remained in the cell until about 9:00 PM at which time Lt. Sweeting and C/O Coleman returned to release me from the remaining restraints. I was then escorted by Lt. Sweeting and another C/O back to Cell 136 on B-range. I was given nothing except a paper suit and a suicide blanket. I had ~~no~~ no mattress, and no other issue of anything I remained without a mattress for 3 nights and 4 days until I asked Lt. Faizon about policy on mattresses. He said "the warden and I spoke about it that I wasn't able to have a mattress at all for 10 days and if I didn't like it write it up. I asked Warden Andrews on Thursday the same day I spoke to Lt. Faizon and he said he will speak to Lt. Faizon. I feel this event was planned and is against my rights as a prisoner. This is cruel and unusually punishment. I believe this violates my basic human rights. I also feel the reason staff keep abusing me is because I keep using my rights to file administrative remedy against the C/O's who continue to treat me inhumanely. The solution that I'm asking for is to be immediately TRANSFER because I fear for my safety from the C/O's on this compound.

I Michael Maxie #93490-083 was a witness for Jesus Flores #91128-053 when officer Adams and officer Dorch approached B-Range cell 130 after S.I.S. Officer Del Valle Sr. had just cleared search but officer Adams insisted on going in to re-search Jesus Flores #91128-053 cell but Mr. Flores asked for what reason if the search was cleared. Officer Adams used extreme force while Mr. Flores was in restraints along with his cell mate then officer Dorch used immediate speed to assist officer Adams to restrain Mr. Flores but Mr. Flores never resisted arrest since he was already handcuffed on the back. Officer Adams literally used both his hands to choke out Mr. Flores. Then officer Dorch took Mr. Flores down to the ground forcefully. While Mr. Flores was still in restraints, Officer Dorch then called back up to assist them which then turned to approximately 15 to 20 different officers that started to attack Mr. Flores by kicking him, kneeling him, punching him, choking him, grabbing him and also to slam him with extreme force leaving Mr. Flores no choice to defend himself at all. At this particular time I Michael Maxie #93490-083 was in cell 143 across from cell 130 which Mr. Flores was in when all this happened on Monday July 13, 2020. It approximately ended @ 12:30pm on Monday July 13, 2020. There was no camera present at this particular time because the camera in the hallway right above our cells (130 & 143). Mr. Flores did not return back to his cell until 7:57pm that night of Monday July 13, 2020 with multiple bruises on his back, legs, arms and all over, including right arm and even a laceration (blood) on his left arm. On Tuesday July 14, 2020 @ 7:55am they came to take pictures of his bruises and I Michael Maxie #93490-083 asked them were wasn't a camera present 7-13-2020 when call assaulted them and I was held back by all officers. The reason why I feel this is of a sensitive nature, is because I continue to receive abuse from S.H.U. staff at this institution. I have sent many remedies thru the various levels of administrative but have not received a response and it's been past 30 days and I haven't received a letter of extension. It has come to the point now that I fear for my life, from the same people who are hired to protect me. So I am asking because of this incident I am asking that you grant my request for immediate transfer.

Part A- INMATE REQUEST

ON or about 09/05/2020 at approximately 7:00 AM I ask Mr. Walker to talk to her which she is my Case Manager she wouldn't talk to me. I have written a Bp-8 on Conflict of Interest with her. When she walked down D range and came back up I ask again to speak <sup>to her, said</sup> she. No do you have a Cop-out for me I told her if you hate me so much why are you still my Case manager. She quotes somebody ready to kill you your a sex offender I tell her I still going home you can't stop me. ~~She states~~ she states your mother should of swallowed you and you are not because you failed to register as sex offender on D-range which is highly illegal to do. ~~to tell~~ To tell other people my Charge. Now if this isn't a Conflict of Interest then what is? Now Someone who has the power to ship me to a ~~other~~ spot to try to get me killed because she hates me and will do anything in there with to keep me in prison and make my life miserable. I ~~can't~~ will like another Case manager who is ~~not~~ going remind professional Thank you instead of a Case manager who places A bulleye on my back for other inmates
